## Echoes Gift Subscriptions

*Echoes* has been part of IODE since 1902. The magazine has been providing members and readers with a view of what IODE is about, who IODE members are and what members do for over 100 years. *Echoes* reflects the diverse nature of chapters and the work done in local communities to support education, community service and citizenship and the work done on provincial and national projects. It is written by and about members. *Echoes* says who IODE is and is the organization’s media face in the community. It shows women dedicated to a better Canada and IODE making a difference.

Purchasing **Echoes Gift Subscriptions** is an economic Public Relations tool. It offers the recipients a current overview of work being done in IODE. A subscription is excellent way for Chapters to thank Community Partners and to reconnect with past IODE members who are no longer active in the organization.

Subscriptions to *Echoes* are available for \$16.00 annually in Canada and \$25.00 for an international destination. A great birthday or Christmas gift for relatives, friends and local partner organizations.

The **Echoes Gift Subscription** form in Word, and fillable pdf, have been attached for your convenience.

Founded in 1900, IODE Canada is a national women’s charitable organization dedicated to enhancing the quality of life for individuals through education support, community services and citizenship programs.
