Every Member Counts

One of the projects for IODE's 125th anniversary is the "**Every Member Counts**" initiative. To maintain membership at the 2023 level, Chapters are encouraged to invite new members to join.

Two virtual information sessions took place 01 May and 02 May. Both Zoom sessions were led by IODE Canada President, Jane Cushing, and National Councillor and IODE Ontario Membership Officer, Michelle Batty. They provided the attendees the tools for maintaining members, discovering new members and starting new chapters. Attendees shared what was working in their chapters.

Thank you to those who attended the *Every Member Counts* information sessions. If you were not able to attend the event, we have included learning resources from the meeting on the Member Resources website. www.iodecanada-memberresources.ca/Every-Member-Counts

We appreciated everyone's contributions and participation, looking forward to an exciting and productive 2024.
