Membership Growth Second Quarter Report

During 2024, part of the “*Every Member Counts*” initiative is to give you quarterly reports.

In the first six months of this year, we welcomed 71 women who are new to IODE, 95 memberships have not been renewed yet and sadly we received 18 death notices. These figures are based on primary chapter submissions to the National Office.

Every Member Counts

Since a number of chapters have not yet forwarded their 2024 membership dues (for membership renewals or new members) we do not have final number of members as of 30 June 2024 to report. To date fees for 1,235 members have been received.

Founded in 1900, IODE Canada is a national women’s charitable organization dedicated to enhancing the quality of life for individuals through education support, community services and citizenship programs.

For more information about our organization and charitable work, please visit our website.
