IODE War Memorial Scholarships Awarded for 2018-2019

At the 118th National Annual Meeting in London, ON, on 02 June 2018, IODE Canada announced the three winners of the IODE War Memorial Scholarships for doctoral study. To celebrate the 100th Anniversary of the IODE War Memorial, the value of the awards has been increased to \$20,000 each for 2018-2019.

IODE Canada instituted the War Memorial Scholarship program in 1918 to commemorate Canadians who sacrificed their lives or were permanently disabled while fighting for Canada.

Today, applicants must be Canadian citizens, in at least their second year of a doctoral program at a Canadian or Commonwealth University and are selected for academic achievement, potential and volunteerism.
