## Mentorship Workshop

- M** onitor (not prescribe)
- E** ncourage desired behaviours
- N** uture the person and process
- T** reasure people and new ideas
- O** pen doors
- R** einforce positive ideas and behaviours

One of the interesting ideas that arose from the review of membership experience by the National Advisory Committee and Board of Directors was the concept of mentor. Many reported having had a mentor and that was why they had continued in IODE.

This workshop will examine the role of mentors: in primary chapters, in assisting new members, in creating interest in officer positions. This will take one and a half hours.
