IODE War Memorial Scholarship Application Download and complete the **Letter of Intent** and **Application** form at www.IODE.ca

The following information must be submitted:

- * Certified copies of academic transcripts (undergraduate and graduate) must be submitted directly by the Registrar to IODE Canada. Electronic transcripts are acceptable if certified and submitted directly by the Registrar.
- * Three letters of reference must be submitted to IODE Canada. It is the responsibility of each candidate to ensure that letters have been received by IODE Canada on or before the application deadline of 01 November 2022.

The information below should be submitted in one file in the order outlined.

- * Completed and signed Letter of Intent and Application form.
- * Statement of research topic and reasons for its importance in layman's terms (250 words or less) and working title.
- * Summary of graduate work completed and in progress including reasons for choice of university (250 words or less).
- * Future plans and statement of career goals (250 words or less).
- * List of post-secondary awards received including the value and dates held.
- * Complete bibliographic list of publications / research, your percentage of authorship. Please indicate peer-reviewed publications.
- * List of extra-curricular interests, including current volunteer activities / unpaid community service.
- * List of other scholarships for which you are applying.
- * Proof of Canadian citizenship. Please provide a photocopy of Canadian birth certificate or Canadian passport.
