

The 2026 National Annual Meeting Committee hopes the following tips will assist you during the meeting.

Additional information and **the 2025 Annual Report can be found at** <https://www.iode.ca/2026-national-annual-meeting.html>

- Each day's Zoom link will only be active for that day
- May 28<sup>th</sup> & 29<sup>th</sup> are divided into two afternoon sessions (EDT)
- To accommodate members from coast to coast the Zoom room will remain open between sessions, offering time to visit, connect, chat and grab something to eat together
- **Please be patient** when logging into Zoom – we have a larger volume of attendees than normal which may affect connecting time
- Please ensure you have **named yourself**. AND in the chat please tell us how many friends have joined you to watch
- Once the meeting has started, **please mute yourself**
- If you have any questions or want to move or second a motion, please use **"raise hand"** icon found in reactions. Those using an iPad, tap your screen to reveal the control toolbar. Alternatively, you can tap Participants, tap your own name and select the **"raise hand"** option there.

Looking forward to seeing you as we **CELEBRATE YOU**.
