Share Your IODE Story – New Rack Card & Bookmark!

We're excited to introduce two new **FREE** Public Relations tools designed to help you share IODE with others: the **IODE Rack Card** and **IODE Bookmark**.

A fresh, concise way to share who IODE is and the impact in our communities. These **new resource tools are designed to support membership growth and community awareness.**

The **rack card highlights IODE's core programs** — education, community service, and citizenship — while the **bookmark reflects our historic and ongoing commitment to Canada.** Both are small enough to fit in your purse, making them convenient to carry and share wherever you go.

Handout IODE rack cards and bookmarks whether you're inviting someone to a meeting, asking for a donation or doing a cheque presentation. They're a simple, practical way to share our mission and highlight the meaningful work we do.
