WE HAVE MOVED

We are pleased to announce that the National Chapter of Canada IODE's office has relocated.

Originally built for Bell Telephone Company of Canada in 1926, the attractive historic building has been beautifully restored, and renovated into office space for small businesses. Our new smaller office is less expensive with big windows offering lots of natural sunlight. The building is air-conditioned with a large parking lot and office furniture is included in the rent. The landscaped backyard with waterfall garden, BBQ, patio furniture, tents, and tables for lunch and outdoor meetings is available for our use gratis.
