Share Your Success! 2025 Annual Reports + Anniversary Highlights

What a year we have had!

We have truly made a lot of NOISE!

AND

What a difference we have made in individuals' lives!

Now...

Let's tell our stories.

And remember...

It's not bragging if it's true!!

The **2025 Primary Chapter Annual Reports** are now available at **www.IODE.ca** in Word, PDF, and Fillable formats. If using the Fillable version, please save it to your computer with your chapter name and office in the file title (e.g., *Margaret Stokes Education 2025*) and submit it electronically as an attachment. Questions may be directed to your National Councillor.

The forms are located on the **Member Resources website under the *Welcome* tab**, listed as "2025 Primary Chapter Annual Report Forms."

In addition, there is a **one-time 125th Anniversary Report Form**, your chance to brag, loud and clear, about how your chapter celebrated this milestone year! This form may be completed by the Chapter Secretary or any member designated by the chapter. Be sure to take this opportunity to highlight your chapter's achievements and celebrations.

All Chapter Annual Reports are to be sent to the appropriate Provincial Officer, chapters in Ontario to **iodeontario@gmail.com** and to the National Office **iodecdn@gmail.com**.

Let's share the activities and initiatives your chapter has undertaken this past year through each officer's report. While statistics are important, it is the stories behind them that resonate most. The words that illustrate how your work has touched lives and strengthened your community.

Please refer to the directions at the top of each form for guidance on forwarding your reports to provincial and national counterparts by **31 January 2026**. Don't hesitate to include the same chapter initiative in multiple reports if it applies to more than one officer or area of work.

Your chapter's reports help shape the story of IODE in 2025. The information you share enables Provincial and National Officers to highlight the impact of IODE's work across Canada, forming an essential component of IODE Canada's Annual Report and Year Book. In addition, the consolidation of all Treasurer Reports is required for filing with the Canada Revenue Agency (CRA) and is vital to maintaining our charitable status.

It has been an incredible year of celebrating 125 years of service. The energy of IODE members remained strong throughout 2025! Now is the time to capture that momentum, share your chapter's stories and provide Provincial and National Officers with the details they need to record and showcase the impact of our work across the country.

To every member ... thank you for making 2025 unforgettable!
